PROXY STATEMENT

DIAMOND OFFSHORE DRILLING, INC.

FOR 1999 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD MAY 12, 1999

This Proxy Statement is being furnished to stockholders of Diamond Offshore Drilling, Inc., a Delaware corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company from such stockholders for the 1999 Annual Meeting of Stockholders of the Company (the "Annual Meeting") to be held on May 12, 1999 and any adjournments and postponements thereof. Shares of the Company's Common Stock, par value \$.01 per share ("Common Stock"), represented by a properly executed proxy in the accompanying form will be voted at the Annual Meeting. The proxy may be revoked at any time before its exercise by sending written notice of revocation to William C. Long, Corporate Secretary, Diamond Offshore Drilling, Inc., 15415 Katy Freeway, Houston, Texas 77094, or by signing and delivering a proxy which is dated later, or, if the stockholder attends the Annual Meeting in person, by giving notice of revocation to the Inspector(s) of Election (as hereinafter defined) at the Annual Meeting.

The Company has fixed the close of business on March 15, 1999 as the record date (the "Record Date") for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting. On that date there were outstanding and entitled to vote 135,815,535 shares of Common Stock, which is the Company's only class of voting securities. The presence at the Annual Meeting in person or by proxy of the holders of a majority of the outstanding shares of Common Stock entitled to vote thereat is required to constitute a quorum for the transaction of business. Abstentions and broker non-votes will be counted in determining whether a quorum is present. Each stockholder is entitled to one vote for each share of Common Stock held of record. A plurality of the shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required for the election of directors. Accordingly, the six nominees for election as directors at the Annual Meeting who receive the greatest number of votes cast for election by the holders of record of Common Stock on the Record Date shall be the duly elected directors upon completion of the vote tabulation at the Annual Meeting. The affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required for approval of all other items being submitted to the stockholders for their consideration. Abstentions will be considered present for purposes of calculating the vote, but will not be considered to have been voted in favor of the matter voted upon, and broker non-votes will not be considered present for purposes of calculating the vote.

Votes will be tabulated by ChaseMellon Shareholder Services, L.L.C., the transfer agent and registrar for the Common Stock, and the results will be certified by one or more inspectors of election who are required to resolve impartially any interpretive questions as to the conduct of the vote (the "Inspector(s) of Election"). In tabulating votes, a record will be made of the number of shares voted for each nominee or other matter voted upon, the number of shares with respect to which authority to vote for that nominee or such other matter has been withheld, and the number of shares held of record by broker-dealers and present at the Annual Meeting but not voting.

This Proxy Statement is expected to be first mailed or delivered to stockholders of the Company entitled to notice of the Annual Meeting on or about March 29, 1999.

The date of this Proxy Statement is March 25, 1999.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

The table below sets forth certain information with respect to each person or entity known by the Company to be the beneficial owner of more than 5% of the Common Stock as of December 31, 1998 (based upon Schedule 13D and Schedule 13G filings by such persons with the Securities and Exchange Commission (the "Commission") for beneficial ownership at such date). The percentages are calculated based on the amount of outstanding securities, excluding securities held by or for the account of the Company.

(1) Loews Corporation, a Delaware corporation ("Loews"), has sole investment power and sole voting power over 70,100,000 shares.

Because Loews holds more than a majority of the outstanding shares of Common Stock of the Company, Loews has the power to approve matters submitted for consideration at the Annual Meeting without regard to the votes of the other stockholders. The Company understands that Loews intends to vote FOR the election of management's nominees for the Board of Directors and FOR the ratification of the appointment of Deloitte & Touche LLP as the Company's independent auditors. There are no agreements between the Company and Loews with respect to the election of directors or officers of the Company or with respect to the other matters which may come before the Annual Meeting.

SECURITY OWNERSHIP OF MANAGEMENT AND DIRECTORS

The following table shows the amount and nature of beneficial ownership of the Common Stock and of Loews common stock beneficially owned by each director of the Company, each Named Executive Officer (as hereinafter defined) of the Company and all directors and executive officers of the Company as a group, as of January 31, 1999. Directors and executive officers of the Company individually and as a group own less than 1% of equity securities of the Company. Except as otherwise noted, the named beneficial owner has sole voting power and sole investment power with respect to the number(s) of shares shown below.

(1) The number of shares includes 58,000 shares owned by the James and Merryl Tisch Foundation, as to which Mr. Tisch has shared voting and investment power.

(2) Robert E. Rose resigned as President and Chief Executive Officer and a director of the Company effective March 31, 1998. Voting and investment power with respect to shares listed for Mr. Rose is shared with his spouse.

(3) The number of shares of Company Common Stock owned by all directors and

executive officers as a group includes 259.2 shares of Common Stock beneficially owned, as of January 31, 1999, by Gary T. Krenek, an executive officer of the Company who is not a Named Executive Officer, by virtue of Mr. Krenek's investment in Common Stock pursuant to the Retirement Plan. See "Executive Compensation." Investment and voting power with respect to such shares is shared with Mr. Krenek's spouse.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires that the Company's executive officers and directors, and persons who beneficially own more than ten percent of the Company's Common Stock, file initial reports of ownership and reports of changes in ownership of the Company's equity securities with the Commission and the New York Stock Exchange. Executive officers, directors and greater than ten percent beneficial owners are required by the Commission regulations to furnish the Company with copies of all Section 16(a) reports they file. Based solely on a review of such reports furnished to the Company and written representations that no report on Form 5 was required for 1998, the Company believes that no director, officer or beneficial owner of more than ten percent of the Common Stock failed to file a report on a timely basis during 1998.

ELECTION OF DIRECTORS

The Company's Board of Directors presently consists of six directors. In December 1997, the Company's Board of Directors voted to increase the size of the Board from five to six members, and Michael H. Steinhardt was elected by the Board of Directors to fill the vacancy created by such increase. Robert E. Rose resigned from the Board of Directors effective March 31, 1998 and, effective as of such date, Lawrence R. Dickerson was elected to fill the vacancy created by the resignation of Mr. Rose. All directors are elected annually to serve until the next annual meeting of stockholders and until their respective successors are duly elected and qualified or until their earlier resignation or removal. The executive officers of the Company are elected annually by the Board of Directors to serve until the next annual meeting of the Board of Directors and until their successors are duly elected and qualified, or until their earlier death, resignation, disqualification or removal from office. Information with respect to the current directors and executive officers of the Company is set forth below.

The nominees for director are James S. Tisch, Lawrence R. Dickerson, Herbert C. Hofmann, Arthur L. Rebell, Michael H. Steinhardt and Raymond S. Troubh. Each of the six directors to be elected at the Annual Meeting will serve a term of one year to expire at the Company's 2000 Annual Meeting of Stockholders or until his successor is elected and qualified or until his earlier death, resignation, disqualification or removal from office.

It is intended that the proxies received from holders of Common Stock, in the absence of contrary instructions, will be voted at the Annual Meeting for the election of Messrs. Tisch, Dickerson, Hofmann, Rebell, Steinhardt and Troubh. Although the Company does not contemplate that any of the nominees will be unable to serve, decline to serve, or otherwise be unavailable as a nominee at the time of the Annual Meeting, in such event the proxies will be voted in accordance with the authority granted in the proxies for such other candidate or candidates as may be nominated by the Board of Directors.

Further information concerning the nominees for election as directors at the Annual Meeting, including their business experience during the past five years, appears below.

The annual retainer payable to directors of the Company who are not employees of the Company or any of its subsidiaries or of Loews or any other affiliated companies, for services as directors, is \$20,000 per annum, payable quarterly. BOARD OF DIRECTORS AND COMMITTEES

BOARD OF DIRECTORS

The Company's Board of Directors has six members and two standing committees. During 1998, the Board of Directors held seven meetings. Further information concerning the Board's standing committees appears below.

EXECUTIVE COMMITTEE

The Executive Committee of the Board of Directors consists of three members, Mr. Tisch, Mr. Dickerson and Mr. Hofmann. The Executive Committee has all the powers and exercises all the duties of the Board of Directors in the management of the business of the Company that may lawfully be delegated to it by the Board of Directors. These powers and duties include, among other things, declaring a dividend, authorizing the issuance of stock, recommending to stockholders mergers or a sale of substantially all of the assets of the Company, providing advice and counsel to management of the Company, reviewing management's recommendations for significant changes to the organizational structure of the Company and recommending changes to the Board of Directors. During 1998, the Executive Committee held one meeting and took action by unanimous written consent on two occasions.

AUDIT COMMITTEE

The Audit Committee of the Board of Directors consists of two members, Mr. Steinhardt and Mr. Troubh. The Audit Committee reviews and reports to the Board of Directors on the scope and results of audits by the Company's independent auditors. It recommends a firm of certified public accountants to serve as auditors for the Company, authorizes all audit and other professional services rendered by the auditors and periodically reviews the independence of the auditors and the Company's internal accounting controls and internal audit procedures. Membership on the Audit Committee is restricted to directors independent of management and free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment as a committee member. Directors who are affiliates of the Company or officers or employees of the Company or its subsidiaries or of Loews or any other affiliated companies are not qualified for Audit Committee membership. During 1998, the Audit Committee met two times.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During the Company's fiscal year ended December 31, 1998, the Company had no compensation committee, although the Executive Committee of the Board of Directors performed certain similar functions with respect to the compensation of the Company's executive officers and bonuses. See "Board of Directors Report on Executive Compensation -- General," "-- Annual Cash Bonus Incentives" and "-- Compensation of the Chief Executive Officer." Decisions concerning compensation of executive officers were made during such fiscal year by persons who were members of the Company's Board of Directors, including James S. Tisch and Lawrence R. Dickerson, executive officers of the Company.

NOMINATING COMMITTEE

During the Company's fiscal year ended December 31, 1998, the Company had no nominating committee or other committee of the Board of Directors performing similar functions.

EXECUTIVE COMPENSATION

The following table shows for the years ended December 31, 1998, 1997 and 1996 the cash compensation paid by the Company, and a summary of certain other compensation paid or accrued for such year, to its Chief Executive Officer and each of the Company's four other most highly compensated executive officers as of December 31, 1998 (collectively, the "Named Executive Officers") for service in all capacities with the Company and its subsidiaries.

In some cases, the total of the foregoing itemized amounts does not equal the corresponding aggregate amount set forth in the "All Other Compensation" column due to rounding.

(4) The Named Executive Officer has held such position since March 31, 1998.

(5) Mr. Eads joined the Company in May 1997.

- (6) Robert E. Rose resigned as President and Chief Executive Officer and a director of the Company effective March 31, 1998. The amount of annual bonus for 1997 was reduced by \$306,250 and the amount of annual bonus for 1996 was reduced by \$165,000, which amounts were forfeited by Mr. Rose as a result of his resignation.

The Company maintains a defined contribution plan (the "Retirement Plan") designed to qualify under Section 401(k) of the Internal Revenue Code of 1986, as amended (the "Code"), pursuant to which the Company contributes 3.75 percent of the participant's defined compensation and the Company matches 25 percent of the first 6 percent of each participant's compensation contributed. Participants are fully vested immediately upon enrollment in the plan. Up to 25 percent of the amount of such contributions to the Retirement Plan may be used to purchase shares of Common Stock of the Company.

In addition, under the Company's Deferred Compensation and Supplemental Executive Retirement Plan, the Company contributes to participants therein any portion of the 3.75 percent of the base salary contribution and the matching contribution to the Retirement Plan that cannot be contributed because of the limitations of Sections 401(a)(17), 401(k)(3), 401(m)(2), 402(g) and 415 of the Code and because of elective deferrals that the participant makes under the plan. Additionally, the plan provides that participants may defer up to 10 percent of base compensation and/or up to 100 percent of any performance bonus. Participants in this plan are a select group of management or highly compensated employees of the Company and are fully vested in all amounts paid into the plan.

BOARD OF DIRECTORS REPORT ON EXECUTIVE COMPENSATION

The following report concerning the specific factors, criteria and goals underlying decisions on payments and awards of compensation to each of the executive officers of the Company for the fiscal year ended December 31, 1998 is provided by the Company's Board of Directors.

GENERAL

Recommendations regarding compensation of the Company's executive officers are prepared by the President and submitted to the Executive Committee of the Board of Directors for approval, except that the President does not participate in the preparation of recommendations, or the review, modification or approval thereof, with respect to his own compensation.

The Company's compensation program is designed to enable the Company to attract, motivate and retain high-quality senior management by providing a competitive total compensation opportunity based on performance. Toward this end, the Company provides for competitive base salaries and annual variable performance incentives payable in cash for the achievement of financial performance goals.

SALARIES

Every salaried employee of the Company is assigned a salary grade at the commencement of employment pursuant to a system that considers objective criteria, such as the employee's level of financial responsibility and supervisory duties, and the education and skills required to perform the employee's functions; however, the assignment of an employee to a particular salary grade necessarily involves subjective judgments. Within each grade, salaries are determined within a range based solely on subjective factors such as the employee's contribution to the Company and individual performance. No fixed, relative weights are assigned to these subjective factors. On occasion, an officer's compensation will be fixed at a level above the maximum level for his or her salary grade in response to a subjective determination that the officer's compensation, if set at the maximum level for his or her grade, would be below the level merited by his or her contributions to the Company.

ANNUAL CASH BONUS INCENTIVES

Bonuses were awarded for 1998 under the Diamond Offshore Management Bonus Program, which is intended to provide a means whereby certain selected officers and key employees of the Company may develop

a sense of proprietorship and personal involvement in the development and financial success of the Company, and encourage the participants to remain with and devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its stockholders. At the beginning of 1999, the Executive Committee of the Company's Board of Directors established a bonus pool (the "Bonus Pool") for fiscal year 1998 (the "Performance Year"). The Executive Committee determined the amount in the Bonus Pool based on such committee's evaluation of the Company during 1998 relative to peer companies, the performance of the Company's share price and extraordinary events during the Performance Year. The Executive Committee established the bonus payout from the Bonus Pool based upon corporate, group or individual performance, or a combination thereof, or such other subjective criteria as the Executive Committee considered appropriate. The bonuses for 1998 are payable in annual installments (25%, 15%, 15%, 15%, 15% and 15%) over the six calendar year period following 1998 for participants of salary grade 12 and above, and are payable in annual installments (50%, 25% and 25%) over the three calendar year period following 1998 for participants of salary grade 11 and below, and, with certain exceptions, are forfeited if not paid prior to termination of employment.

The Competitor Group Index used in the total stockholder return comparison (see "Common Stock Performance Graph" below) is not used to determine any cash bonus incentives for executives of the Company, and the peer companies considered for purposes of the Diamond Offshore Management Bonus Program do not necessarily correspond with the companies considered for purposes of the Competitor Group Index. Although the two groups of companies include several of the same companies (based on their similarity to the Company), the composition of the two groups does not exactly correspond, and there are no specific bases upon which certain companies included for purposes of the Competitor Group Index are not included in the peer group for purposes of the Diamond Offshore Management Bonus Program.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

Decisions regarding compensation (salary and bonus) of the Company's Chief Executive Officer were made by members of the Board of Directors who were independent of management and not affiliated with the Company, its officers or employees of the Company or its subsidiaries or of Loews or any other affiliated companies. James S. Tisch did not participate in the preparation of recommendations, or the review, modification or approval thereof, with respect to his compensation. Such decision for 1998 was determined subjectively, and not necessarily tied to corporate performance, with consideration given to Mr. Tisch's level of responsibility and importance to the Company relative to other Company executives, his contributions to the successful implementation of significant strategic initiatives that are expected to benefit the Company in future years, including the Company's capital upgrade program and on-going rationalization of its rig fleet (purchases and sales). No fixed, relative weights were assigned to these subjective factors.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Prior to the initial public offering of the Common Stock in October 1995 (the "Initial Public Offering"), the Company was a wholly owned subsidiary of Loews, and in connection with the Initial Public Offering, the Company and Loews entered into agreements pursuant to which certain management, administrative and other services are provided by Loews to the Company and certain other obligations were assumed by the parties. These agreements were not the result of arm's length negotiations between the parties.

SERVICES AGREEMENT. The Company and Loews entered into a services agreement effective upon consummation of the Initial Public Offering (the "Services Agreement") pursuant to which Loews agreed to

continue to perform certain administrative and technical services on behalf of the Company. Such services include personnel, telecommunications, purchasing, internal auditing, accounting, data processing and cash management services, in addition to advice and assistance with respect to preparation of tax returns and obtaining insurance. Under the Services Agreement, the Company is to reimburse Loews for (i) allocated personnel costs (such as salaries, employee benefits and payroll taxes) of the Loews personnel actually providing such services and (ii) all out-of-pocket expenses related to the provision of such services. The Services Agreement may be terminated at the Company's option upon 30 days' notice to Loews and at the option of Loews upon six months' notice to the Company. In addition, the Company has agreed to indemnify and hold harmless Loews for all claims and damages arising from the provision of services by Loews under the Services Agreement, unless due to the gross negligence or willful misconduct of Loews. Under the Services Agreement, the Company paid Loews approximately \$353,000 for services performed by Loews in 1998.

REGISTRATION RIGHTS AGREEMENT. Under a Registration Rights Agreement (the "Registration Rights Agreement") between the Company and Loews, the Company, subject to certain limitations, will file, upon the request of Loews, one or more registration statements under the Securities Act of 1933, as amended, subject to a maximum of three such requests, in order to permit Loews to offer and sell any Common Stock that Loews may hold. Loews will bear the costs of any such registered offering, including any underwriting commissions relating to shares it sells in any such offering, any related transfer taxes and the costs of complying with non-U.S. securities laws, and any fees and expenses of separate counsel and accountants retained by Loews. The Company has the right to require Loews to delay any exercise by Loews of its rights to require registration and other actions for a period of up to 90 days if, in the judgment of the Company, any offering by the Company then being conducted or about to be conducted would be adversely affected. Subject to certain conditions, the Company has also granted Loews the right to include its Common Stock in any registration statements covering offerings of Common Stock by the Company, and the Company will pay all costs of such offerings other than underwriting commissions and transfer taxes attributable to the shares sold on behalf of Loews. The Company will indemnify Loews, and Loews will indemnify the Company, against certain liabilities in respect of any registration statement or offering covered by the Registration Rights Agreement, as amended.

On September 16, 1997, Loews and the Company entered into an agreement amending the Registration Rights Agreement (the "Registration Rights Agreement Amendment") in contemplation of the offering by Loews of its 3.125% Exchangeable Notes due 2007 (the "Loews Notes"), which are exchangeable for Common Stock. Pursuant to the Registration Rights Agreement Amendment, Loews exercised the first of its three demand registration rights for the shares of Common Stock underlying the Loews Notes and, in connection with such demand, the Company agreed to file and to use its best efforts to cause to be effective no later than September 30, 1998 a registration statement for a continuous offering of such shares for delivery upon the exchange of Loews Notes, and to maintain the effectiveness of such registration statement through September 15, 2007, or such earlier time as no Loews Notes are outstanding. Such registration statement was filed by the Company and was declared effective by the Commission on September 29, 1998. Pursuant to the Registration Rights Agreement Amendment, at any time and from time to time after such registration statement has been filed and declared effective, the Company has the right to require Loews to suspend the use of any resale prospectus or prospectus supplement included therein for a reasonable period of time, not to exceed 90 days in any one instance or an aggregate of 120 days in any 12-month period, if the Company is conducting or about to conduct an underwritten public offering of its securities for its own account, or would be required to disclose information regarding the Company not otherwise then required by law to be publicly disclosed where such disclosure would reasonably be expected to adversely affect any material business transaction or negotiation in which the Company is then engaged. However, no such suspension period may be in effect during the 14-day period preceding any redemption date with respect to, or the final maturity date of, the Loews Notes. Before giving notice to holders of Loews Notes of any optional redemption of Loews Notes, Loews agreed in the Registration Rights Agreement Amendment to give prior notice to the Company to enable the Company to determine whether it should suspend the use of the current resale prospectus or prospectus supplement covering the shares of Common Stock issuable upon the exchange of Loews Notes. Loews and the Company agreed that Loews will not give notice to holders of Loews Notes of the exercise of Loews's optional right to redeem any Loews Notes during the time that any suspension period with respect to

any such prospectus or prospectus supplement is in effect. Pursuant to the Registration Rights Agreement, as amended by the Registration Rights Agreement Amendment, the Company entered into an Underwriting Agreement, dated September 16, 1997, among Loews, the Company and Goldman, Sachs & Co. in connection with the offering by Loews of the Loews Notes.
